Mitsubishi Fuso

Product Range

Our product range extends day by day.

We are very proud to announce that Mitsubishi Fuso Canter Trucks range products are ready.

We are offering original equipment quality with affordable price.

These kits are designed and manufactured at our factory under Dönmez brand guarantee.

Hammer Kupplungen is very pleased to introduce new family members.

These new family members replace Mitsubishi Fuso Canter Truck clutch systems which is fitted as standard and original, details can be found in following tables;
